November 19, 2004

Well, another very busy and productive week for the Lectrotab team. As we continue to grow we are constantly adapting and taking steps to make our business more efficient which ultimately affects our customers.

Many thanks to Vidal Difussion Marine of France and Qunitrex of Australia for their recent orders. Our shipping team worked very hard on these orders this week so they would indeed exit our warehouse today. We appreciate all of your residual business and as always, look forward to continuing to serve your needs.

Next week we will be celebrating the Thanksgiving holiday so MailCall will arrive a few days early.

More next week but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will continue to be very quick!

Best Regards,

L. Jeremy Crews
President
