November 24, 2004

We are back from the M.E.T.S. show and are very busy with follow up projects. Thanks to all who visited us at the Greenwich Trade booth. All of your comments regarding the Lectrotab product line are appreciated, and we will continue to address the requests made by each of you. The comments regarding the color of the SETR Oval control are being discussed. We received several requests to make the Oval background and the buttons black with a white outline. Are there any other color preferences by anyone? Please advise.

We are closing our shop for the Thanksgiving holiday and will be back on Monday. We look forward to wrapping up an exciting year.

More next week but let us hear from you in the meantime. Use mailcall@lectrotab.com for your reply. Our responses will continue to be very quick!

Best Regards,

John R. Sniffin
General Manager
