

Lectrotab Warranty Replacement Program

1. To determine if a Lectrotab part is covered under warranty, please see the “Warranty Period” listed below. All Lectrotab parts have a serial number date code used to determine if the part is still within the warranty period. The actuator serial number is located on the right side of the upper cover. An example for actuators would be “AL09” (L represents the month of November in alphabetical order (skip letter I) and 09 the year). For Oval SETR-61 controls: The 4-digit serial number date code is on the back of the control (Ex: 0623, 06 represents the year and 23 is the 23 week of the year). Other controls have a 4-digit serial number indicating month and year of manufacture (Ex: 0419 – April of 2019). Also, please review the Lectrotab Lifetime Warranty for actuators to determine if an actuator failure is covered under warranty.

Lectrotab Part

Warranty Period (from date manufactured)

Actuators	5 years from date manufactured for actuators with serial numbers prior to November 1, 2009 (*L09**). Lifetime for actuators with serial numbers on or after November 1, 2009 (*L09**) (For warranty, actuators must be connected to Lectrotab brand tabs, control switch and single actuator per tab systems) 3 years from date manufactured for actuators installed with non-Lectrotab parts, dual actuator systems, where used in other than a customary trim tab system
Oval (SETR)	2 years from date manufactured
Square w/ LED’s (SLC type)	2 years from date manufactured
Rocker Switch (SAF type)	2 years from date manufactured
Auto or Manual Level Controls (ALC or MLC type)	2 years from date manufactured
Tabs (T or TA)	5 years from date manufactured

2. Standard actuator failures due to material and workmanship defects may be replaced with an exact or like model by obtaining a “Return Authorization” number from Lectrotab and sending the failed actuator back for warranty evaluation. If the returned actuator is deemed to be covered under warranty, a replacement actuator will be shipped to you ground freight, FOB Destination (continental USA) for domestic customers. All part returns, **must** have a “Return Authorization” number; contact Lectrotab directly to obtain one.
3. Failures due to normal wear and tear, misuse, abuse, neglect, negligence, incidental or consequential damages or a failure to follow Lectrotab’s written installation instructions are NOT covered by this warranty policy.
4. The warranty policy does NOT cover labor cost, hauling fees or any other associated fees pertaining to replacing the failed part.
5. Actuator(s) must be connected to Lectrotab brand trim tab plates and control switch to qualify for lifetime warranty. Actuator warranty applies to complete Lectrotab boat trim tab systems only.
